## Trainer - Leader - Coach

*In-Person or Online*

E D U C A T I O N

Knowledge. Outcomes. Impact.

**Be a champion for improving school climate and safety with TLC Institute.**

### Description:

There has never been a better time than now to become a certified PBIS trainer for your district or state. KOI Education offers a five-day intensive workshop on Positive Behavior Interventions and Support (PBIS). Acquire the complete curriculum, activities and skills necessary to be a trainer, leader, and coach of multi-tiered systems of support. Learn to lead Tier 1, Tier 2, or Tier 3 teams. Expect pre-reading articles, research discussions, group reflections and to facilitate interactive activities during presentation practice sessions.

Be a part of the global PBIS/MTSS leadership community and be a champion for improving school climate and safety. PBIS is a framework that provides a culturally responsive and trauma sensitive environment for all. Help your schools build and sustain the foundation for equitable discipline practices, trauma informed care, mindfulness, and restorative practices.

### Learning Outcomes:

- Understand the research and framework behind successful PBIS practices
- Use a proven curriculum to teach the critical systems/data/practices for Tier 1 PBIS programs and interventions of Tier 2 and Tier 3 PBIS systems
- Discuss coaching responsibilities, the coaching continuum, and explore online tools to support your school and district PBIS teams
- Examine the seven critical skills of effective presenters in order to establish credibility and sustain rapport in your role as a trainer, leader & coach (TLC)
