Jackson School: Reinforcement Matrix

Reinforcement	When	What	Notes
Frequent	• Simple PBIS tickets from staff (Teaching/ES) when student observed demonstrating expectation/behaviour, in any location, by any staff member	• Student places ticket in own class container • Tickets to include Student/Staff Name, Location and Expectation • Classroom teacher can use tallies to chart own class progress • Weekly tickets placed in main school container for weekly draw	• Classrooms have container for collection of tickets • Location included on ticket for data
Intermediate	• Weekly Draw at assembly	• Weekly draw 2 or 3 students per department for a selection of low-cost prizes (ie Jackson wristband, pencil, certificate)	• Tickets from classrooms sent to central boxes (one for primary section, one for secondary section) for collection
Long Term	• Major draw at final assembly of each term	• Only one major prize drawn per section (Primary/ Intermediate)	• Reward funded through PBIS budget
Staff	• Staff member's name called out at assembly for weekly draws • Reward for staff member one per term
